

BACK TO SCHOOL!

I've rewatched every rerun.
I have no skin on my knees.
I've had it with the crickets,
the sunburn, and the bees.

I hiked around the woods
and got peed on by a tree toad.
My neighbor took me fishing.
I got gang-jumped by mosquitoes.

I've been bitten, scorched, and stung,
and the ball field is a sneeze.
My controller went on strike, and
I'm bouncing off the trees.
Days, no longer long,
whisper, *Time to move along.*
School is calling, no use stalling.
Fall is falling, and it
cannot be ignored.
Should I follow?
Might as well.
I'm pretty bored.
