

APRIL

delights!

By April, spring has finally sprung, and if we're lucky, the weather will reflect that! Spring flowers have started to bloom, the days are getting longer, and winter's chill is fading away. We hope that your sky is bright and clear and your grass is growing green. As we embrace the beauty of nature's renewal, let's also renew our commitment to creativity and imagination. April is a time of transformation, both in the world around us and in our classrooms. So let's sow the seeds of artistic inspiration and watch them bloom into beautiful works of art. Whether you're painting with passion, dancing with joy, or singing with spirit, let's make this April a month to remember with ArtsAround!
